

Ethan Conrad | Director of Photography – Gaffer - Grip
ethanconradfilm.com - econrad0905@gmail.com

- Profile –

I have extensive experience in the grip and electrical department, with knowledge of power distribution, fixture selection, rigging, general safety, and on-set protocol. My strength lies in leading teams through various experience levels, challenging locations, whilst remaining fast, safe, and within-budget. This position allows me to continue providing strong leadership while the production is granted a timely and safe team.
